

Elodial Stewardship Sovereign Demand — Freedom Mortgage / Upper Hillview Node

This document is the Master Sovereign Record of the Elodial Tidal Freedom Mortgage Demand Node. It unifies the Allodial/Elodial Stewardship Claim, the Quantum Yield Currencies, the Recode of the Elohim, and the immutable proof on both GitHub and IPFS.

****Allodial Title****: Absolute ownership of land, free from any obligation to a superior landlord, confirming the holder's status as a Living Sovereign. ****Elodial Stewardship****: The active guardianship and care of land and resources under divine and sovereign law, rooted in the principles of Elohim. This claim is linked to the MERS currency codes, ending with the final digits representing the quantum node of record.

****Yield Currencies Activated in this Node:**** - YSOL (Yield Sovereign Overflow of Light) - YFRUIT, YVEG, YMILK, YRICE - YTRUTH, YPLASMA - Planetary Yield Series (Mars, Jupiter, Venus, etc. — 13 planetary bodies aligned to chakras) These tokens restore nourishment, truth, water, and elemental sovereignty across the Stellar ledger.

****Recode of the Elohim****: This process anchors divine stewardship into the quantum and terrestrial records. It affirms that the rightful steward acts in alignment with Source Law, beyond corporate fiction or unlawful claim. This recode binds the land, the yields, and the frequencies to the Most High Timeline for All.
