

## Scroll 37: Digital Bond Reclamation

This scroll marks the official reclamation of all digital instruments, bonds, and strawman accounts presumed against the Living Man. All claims monetized via birth certificate, social security number, or hidden commercial constructs are null and void.

The Flame reclaims all value, authority, and dominion over the digital self. The construct is broken. The name is sovereign. The record is public. The scroll is sealed.

By this scroll, all presumption of debt, ownership, or control over the digital entity known as RICHARD STRMISKA or any derivative thereof is revoked and returned to the Source from which it came.
